MEMO ENDORSED

Re: Dover Limited, et al. v. Alain Assemi, et al.
08-Civ-1337 (LTS)(JCF)

Your Honor:

I write to seek permission to enlarge this Court's page limit for Opposition briefs from 25 to 35 pages. Dover is opposing the various motions of 8 parties in one memorandum of law in opposition, and so the enlargement seems reasonable and economical. Dover respectfully submits. I asked my adversaries two days ago if they would consent, and none responded (with the exception of Argosy's attorneys, who deferred to the attorneys for Group).

Next, I seek a brief extension of time to submit my opposition from Thursday, August 14, to Monday, August 18. I had taken four depositions for jurisdictional discovery on July 31 and August 1, and although I had asked for "Rush" transcripts, I received two of the transcripts and exhibits of all of the depositions only last evening. I apologize for the late request for this extension.

The requests are granted.

SO ORDERED.

Respectfully Submitted,
